

OFFICE DESKS

The O-Leg Series is a brand new ASCO designer desk that comes standard with 2" square, 2" round or 1x2" legs and is completely stand alone. It comes standard with heavy-duty mounting plates. You can customize the exact look and feel of your O-Leg piece by adding a variety of modesty panels, gables and desktop dividers using ASCO's Channels system. The O-Leg series also offers discreet and hidden cable management, using a unique notched corner style.
